# Hvordan skape gode steder og god mobilitet i fremtiden?

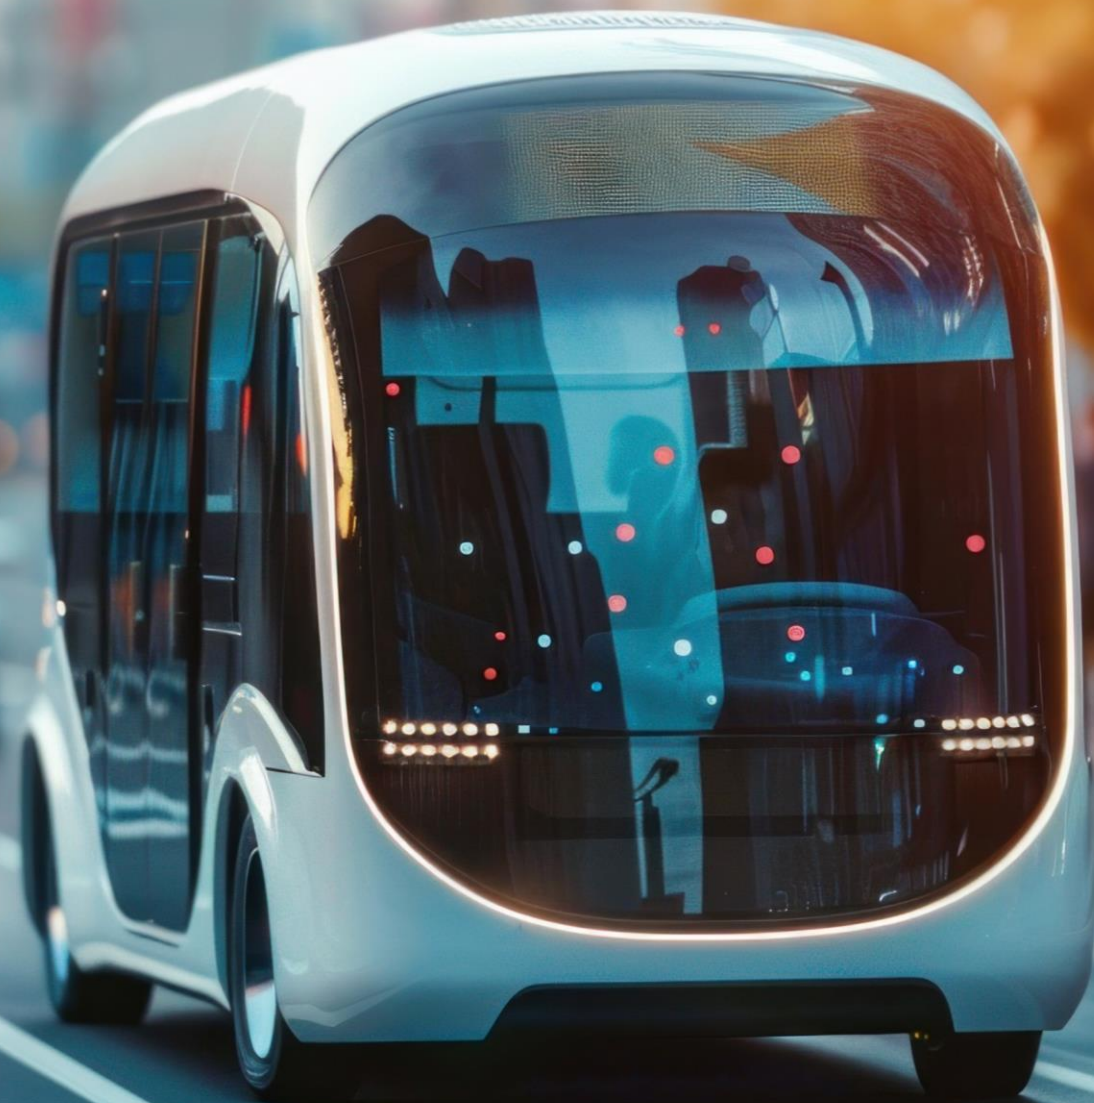

A photograph of a rainy night street scene. A dark car with its headlights on is driving towards the camera on a wet, reflective road. To the right, two pedestrians are walking, one holding a white umbrella. The scene is illuminated by streetlights, creating a bokeh effect in the rain. A teal rectangular box is overlaid on the lower-left portion of the image, containing the text 'Hva med brukerne?'.

**Hva med brukerne?**

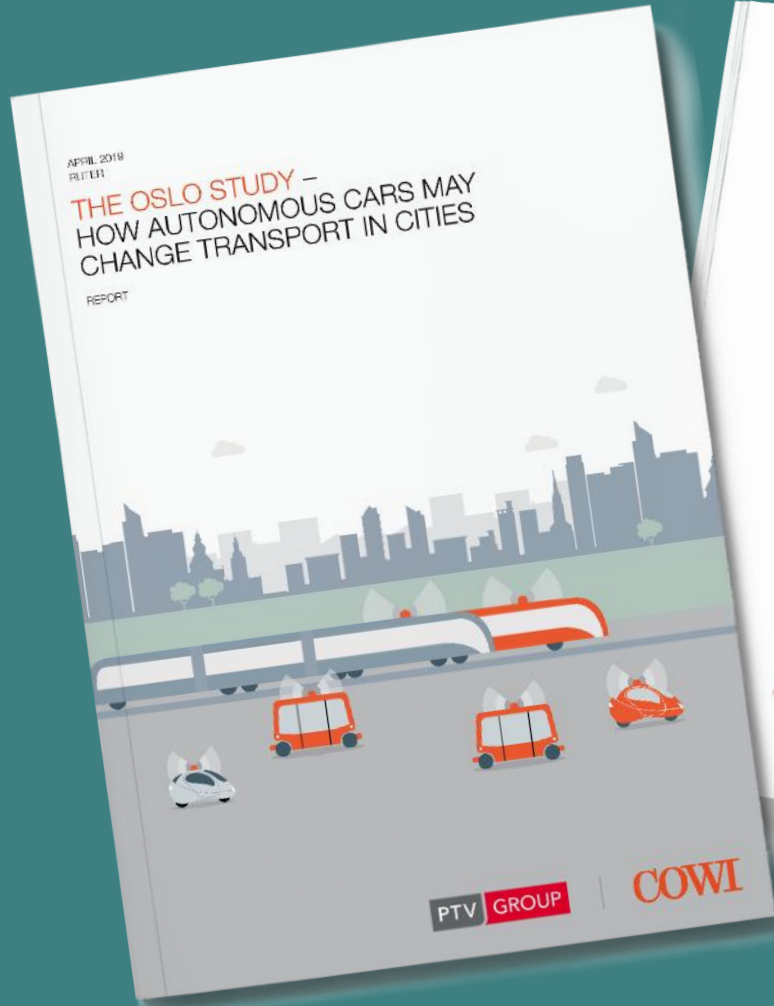

# Fremtidens reise?

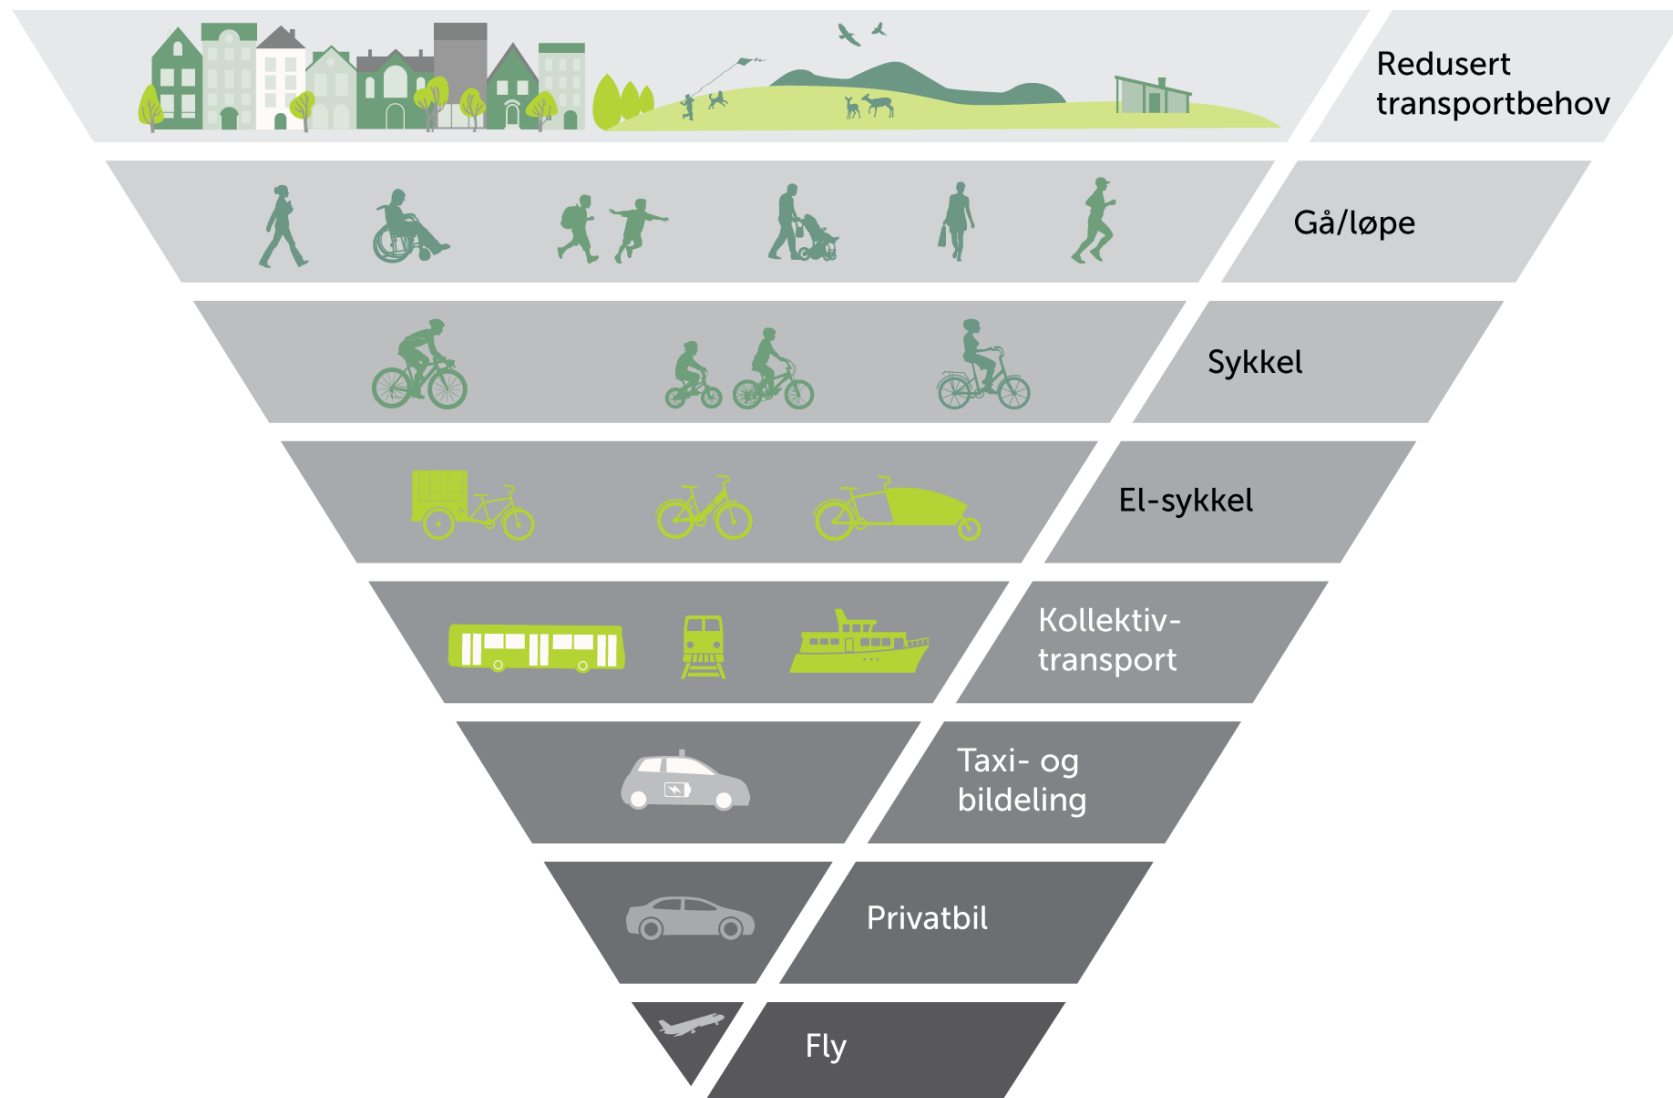

**Vi må snakke om selvkjørende biler!**

# Oslo-studien

# Prinsipper som fortsatt gjelder i 2050

# U F F

**God mobilitet  
=  
tilgjengelighet**

# Samkjøring er fremdeles nøkkelen til å lykkes

# It's the economy, stupid
